Haiti Fundraising

We are so proud of the children for raising a phenomenal **£1,230.24** for Haiti. This is just an amazing achievement for a small school and a great tribute to our caring families. The poems and posters created through the initiative are very impressive and are currently being collated into a file, so everyone can read them. It is also our intention to add any money raised, via the Bags to School Collection – see below, to the Haiti total. If anyone collected sponsor money and was unable to get it to us before the holiday, we would be grateful to receive this as soon as possible.

Thank you all so much.
