## Dear Parents,

We would like to congratulate our cheerleaders. They successfully defended their National title in Durban during the holidays. Their routine was flawless and held in the very pleasant sports arena of the Westville campus at the University of Natal. We were also proud of the junior team who put together a very impressive routine. I was a little

and I find these marks very encouraging as we are now four weeks away from Prelim exams. Parents are reminded that final exams begin in the middle of October. It is not a pleasant time to be a Matriculant at this time of the year. The stress of long hours of studying and the concern about how they are going to cope and what is going to

concerned that the judges didn't give them the full credit they deserved, nevertheless, it was a very successful trip and I would like to thank Mrs Davidson for all her energy, leadership and organization and Candia Nash, the coach, who is very skilful in building a routine that is exciting, busy and meets the requirements of the competition. I would also like to thank Carryn Davidson for her coaching and Mr Malebana for accompanying the tour and assisting Mrs Davidson. The Matric June results are reasonably good considering the pressure the students were under

happen next year all create a fair degree of uneasiness and trepidation. I appeal to parents to support their sons and daughters in Matric, provide them with structure, give them the love and attention they deserve and also insist on good manners and healthy, personal habits. I then trust that we will all be satisfied when we receive their final results at the beginning of January 2012.

The School dance is on Friday, 5<sup>th</sup> August and we look forward to a happy occasion where we celebrate 12 years of hard schooling and trust that

The Cultural Tour arrived back during the holidays after an eventful and entertaining trip. There were so many highlights, a few "lost" incidents and great awe and wonder at the beauty of Europe. The trip was made more pleasurable because of the wonderful children who embraced the ups and downs and who never stopped shopping.

### **More savings for shopping-savvy South Africans with Terrific Tuesdays**

*27 July 2011, Johannesburg* - From group-buying, to invitation-only shopping clubs, to good old fashion bargain hunting, South African shopping savvy consumers love to save. Brightwater Commons is responding to the money saving-craze with Terrific Tuesdays.

One day per week 28 retailers including restaurants and service-based outlets are offering significant discounts to shoppers. The campaign is running for 10 weeks and ends on the 27th September 2011.

So, for example, ladies on a hunt for a bargain could come into the centre and drop off the dry cleaning to score a 20% discount; then head off to Armen Bag City and select a handbag for as little as R30 (selected items only). The rest of the afternoon can be enjoyed by relaxing with a deluxe manicure at Sorbet Nail Bar, where the paraffin dig goes for free on Tuesdays only.

For the gents, the afternoon could start off at Ocean Basket for a meal and coke for R39 bucks; after that, authentic Springbok merchandise can be bought at Sneakers for as little as a R100 and finally, a good workout could end the afternoon where at Virgin Active, members can score a 2 x guest pass for free.

All the Terrific Tuesdays specials are available on the Facebook page, so please visit [www.facebook.com/BWCP](http://www.facebook.com/BWCP) for more information.
